

# Business development

Local business support services are delivered in partnership by Dundee City Council, Scottish Enterprise, Business Gateway, Jobcentre Plus, Skills Development Scotland and Dundee & Angus Chamber of Commerce. In addition, a range of support is provided by private sector professional organisations within the city.

## Services and Support Offered:

### Workforce Development

- Referral to various organisations who can provide you with training and development including management and leadership development.
- National training programmes including Modern Apprenticeships and Skillseekers.
- Investors in People (IIP) - advice and support to achieve the internationally recognised quality standard for the development of businesses and organisations through good workforce development practice.

### Business Growth Support:

- Referral to various organisations who can provide you with appropriate support, advice and assistance which can include help with sourcing funding and grant applications to help your business grow.
- Assisting Dundee companies access new overseas markets.
- Business Skills workshops, events and initiatives delivered by Business Gateway, Dundee City Council, Scottish Enterprise and Dundee & Angus Chamber of Commerce.
